FISCAL ANALYSIS

Assumptions:

1. This bill clarifies the role of courts in the eligibility determination process for assigning counsel at public expense.
2. The number of district court hearings may increase as a result of this legislation; however, the Judicial Branch is unable to estimate the impact on judicial workload or the fiscal impact. The cumulative impact of such legislation may eventually require additional judicial resources because court dockets currently are full in many judicial districts throughout the state.

Effect on County or Other Local Revenues or Expenditures:

1. This legislation may increase the number of hearings in Courts of Limited Jurisdiction which are funded by county or local governments.
